THE SEASON	11
COACHES/TEAM MANAGERS/ASSISTANT COACHES	16

Hello Parents,

Welcome to the City of Goodyear's Recreation Youth Sports Program. This handbook should help give rookie and veteran youth sports parents some helpful information on the City of Goodyear Youth Sports guidelines, and responsibility's.

The City of Goodyear Recreation Division provides an opportunity for all Goodyear youth to learn and play sports. In doing so, we promote the development of each player, provide a safe and controlled environment for kids to play, recruit parents from within the community to volunteer to become quality coaches and assistants, and offer a high level of achievement, sportsmanship, and character development for all players, regardless of skill. We embrace the concept of character education through sports, and strive to demonstrate teamwork, respect, sportsmanship, equal play, and fun through our actions and ask that both parents and players do as well.

All coaches prior to working with your children, must submit to a thorough background check and fingerprinting. In addition we host a beginning of the season coaches meeting to go over all the fundamentals of coaching so we can insure the standard the City of Goodyear wishes to provide our patrons.

Communication is the key to the success of this program. This includes communication with players, parents, officials, coaches, City of Goodyear – Recreation leaders, Site Supervisors, Recreation Coordinator and Recreation Programmer. If you have any questions, concerns, or comments please feel free to contact me any time. Your involvement is welcome and appreciated at all times.

Again, welcome and thank you in advance for your commitment to the City of Goodyear Recreation Youth Sports Program. We hope you find the youth sports programs a rewarding experience!

Sincerely,

City of Goodyear – Youth sports

- 2) Any Individual who is ejected must leave the facility and surrounding areas near the facilities immediately. The game will not continue until the person has been satisfactorily removed from the area by the site supervisor on duty. Failure to comply with this rule will result in the cancellation of the game.

Game Cancellations & Reschedules

If a game is canceled due to weather or other unforeseeable circumstances, the game schedule will continue as currently scheduled and if a makeup game is rescheduled will be played at the end of the season. However, due to the time constraints and/or facility usage conflicts, it will be the decision of the Administration/Host team if and when games are made up.

Weather

The safety of all participants, officials and spectators is the primary concern in cases of inclement weather. Administration may make the decision to cancel all practices/games if the weather calls for it. You are encouraged to check the RainOut Hotline during inclement weather situations. The hotline number is **623-882-7535**. It will be updated at 3pm when weather conditions show.

During practice situations, volunteer coaches will monitor inclement weather and use their best judgment on whether to play or cancel based on Youth Sports Guidelines. Coaches will contact participants with as much time as possible if a cancellation or delay is made.

Once a game or meet has started, the site supervisor will have the responsibility to remove the players from the field if the conditions become extreme. If games are postponed please find a safe place until instructed to return to playing field or told that games have been cancelled. If games have been cancelled the site supervisor will contact coaches with as much notice as possible. Coaches are in turn responsible for notifying their team immediately.

Lightning will cause for games delays when it is within 8 miles of the location. For more information on location of lighting and/or weather download the WeatherBug application.

Medical Issues

For any injury that requires something other than a cleaning or covering with a bandage, the coach/team managers and parents are required to seek professional medical assistance through

a 911 call, a visit to an emergency room or urgent care. Any significant accidents or injuries beyond a minor scrape should be reported to the Administration via **623-882-7525**. Please notify your coach if your child has a pre-existing medical condition (i.e. allergies, medications, physical or psychological impairments etc.)

Concussion Awareness

The City of Goodyear is trying to help raise awareness to concussions in youth sports and the impact that it has on the growth and development of children. The Youth Sports Program follows the guidelines and recommendations on concussions from the Center for Disease Control and Prevention ([cdc.gov](https://www.cdc.gov)). Concussions can occur in any sport; all volunteer coaches need to know concussion signs and symptoms and what to do if a concussion occurs. All volunteer coaches receive a handout on concussion. Prior to the start of the season volunteer coaches should notify parents/guardians and Site Supervisor if a participant had contact with their head whether it seemed severe or not. The Youth Sports website has Concussion resources available online with information for parents & coaches.

Each season after we have the head coaches meeting you should expect a call from a coach within 5 business days after that meeting.

Falsified registration information will result in players being removed from the program without a refund. Leagues are divided according to age groups for safety and balancing the development of cognitive and physical skills.

Team Assignments – Open Registration & Late Registration

Equitable team assignments are utilized to promote the Youth Sports Recreational Philosophy. Teams are created to be as equal as possible in regard to skills and number of players per team allowing teams to be fair and fun in recreational environment. In order to achieve this,

- Coaches will be able to save only 3 players including their own child.
- Special requests and date of the request (Coach Request, Player/Friend Request, and Practice Time Request).
- Age equality, teams will be average age across all teams
- Gender equality
- Closest school/field

Coaches and team managers may not at any time recruit players from other teams within the league. Team assignment hierarchy for participants is based upon those who registered during regular registration prior to the coaches meeting.

Late registrations are placed on teams that have space available and there are no guarantees that the team will be in or near the participant's home area.

1. Order of registration
2. Within geographic quadrant
3. Nearest school

THE SEASON

Practices

Fields and courts are assigned for practices to begin at 5pm, 6pm, 7pm and 8pm. Teams will have an assigned field/court for one-hour (with no practice lasting more than 1 ½ hours) coaches may use a half hour of a non-field (plaza, open grass and park areas) time for warm-up and/or conditioning. The practices at 5pm and 6pm are usually reserved for the youngest age division in the league. All other ages are assigned practices at either 7pm or 8pm time slots.

Teams are allowed a maximum of two practices per non-game week and one practice per game week with practices only being conducted Monday –Friday. Practices are not to exceed 1 ½ hours per session without prior permission. For health and safety reasons, practices must include frequent water breaks, practice time, temperature and physical strain of the practice should determine the number of breaks during a practice.

Attendance

Players are expected to attend team practices and games regularly as their teammates are counting on their participation. If your child cannot attend a practice or game please notify your child's coach as soon as possible. Players are never to be penalized or excluded from a game for missing practice but, must make every effort to inform their coach.

Teams are created to be as equal as possible in regard to skills and number of players per team. When a player misses a game, it puts the team at an immediate disadvantage and if enough players are not present, the site lead may pull players from the opposing team or be required to forfeit the game due to both teams not having enough players.

A parent or guardian must be present for each participant on a team during practice to assist with behavior, injury/illness, and/or assist the coach with their participant if/when necessary.

Equal Play

Only registered individuals may practice or participate in games. **All players are required to be given equal playing time.** Focus should be given on player development and building confidence. This helps create balanced teams by relying on all players not just a few, it reduces fatigue and the risk of injuries, helps develop friendships by reducing jealousy and competitiveness amongst teammates, and it promotes fun over a winning mentality.

Supervision

The City of Goodyear provides supervision at all facilities. Supervision comes from Recreation Leaders, Site Supervisors, Park Rangers, and Recreation Programmer. If any emergency's or questions come up please contact your nearest staff member.

During game day the Site Supervisor oversees all sites and is the official timekeeper. The Supervisor may override or amend the referees ruling, if it is determined, a call was made in error or contrary to the league rules.

Uniforms

The jersey/uniform is required for participation in games and must be tucked in and worn in the condition that they are given out. Unauthorized alterations to the uniform (i.e. cutting off the sleeves or making a half shirt/mid-drift) will require the parent to pay for a replacement uniform. Players are permitted to have their names printed on the back of their jerseys. If a player chooses a nickname it must be printed in good taste, inappropriate names printed on the jersey will not be permitted to wear during practice or games. No sponsorships or endorsements of any kind can be added to team uniforms.

Uniforms will be distributed prior to the first games. The shirt size is selected at the time of registration and can be changed up until the coaches meeting. Late registration will get shirts on the second week of games.

Participants are required to wear closed toe athletic shoes to all practices and games. No metal cleats are allowed in sports that require participants to wear cleats. Players may wear gloves, elbow pads, and kneepads. Braces with exposed metal or hard casts are not allowed. No jewelry is allowed for games or practices except medical alert items and stud earrings.

Goodyear will provide mouth guards for Flag Football. All other sports participants are encouraged to wear a mouth guard for safety reasons.

Problems & Concerns

Most problems or concerns can best be solved at the source. Please approach a coach by appointment, or after practice, to discuss any issues, concerns or problems. Please do not interrupt practice to discuss an individual problem or concern. Listed below are some guidelines for how a parent should raise difficult issues with a coach:

- Try to keep in mind that you and the coach have the best interest of your child at heart.
- Coaches must balance your perspective of what is best for your child with the needs of the team. Sometimes the interest of an individual may be subordinate to the interest of the team or group.
- If another parent uses you as a sounding board for complaints about a coach's performance or policies, listen empathetically, but encourage the other parent to speak directly to the coach.
- The coach is ultimately the one who can help resolve the problem.

If after you have spoken to your coach and you are not satisfied with the response, you may reach out to the Recreation Coordinator for additional support or direction.

Communication

After the coaches meeting you should expect a call from a coach within 5 business days. From that call you will obtain information regarding on what team you are on who your coach is, and what practices times and locations you will have for the season. Team will also receive an email from the City of Goodyear with follow up information with the same info plus some additional information regarding the season.

Pictures

Individual and team pictures will take place the 2nd week of games. Coaches will receive information on picture purchasing packets the week prior along with a picture schedule to distribute to the team. Teams and players should follow the schedule strictly, so there is no delay in games.

Games

Games are held for the enjoyment of the children. Games provide the opportunity for players to practice their sportsmanship and discipline they have learned in practice while developing their skills. These characteristics combined result in team spirit, working together for a common goal. Parental support through active participation helps to reinforce life skills. Parents need to be sure to bring water, sunscreen, towels, snacks, chairs and umbrellas for themselves.

Games are played on Saturday mornings with start times at between 7am and 8am. A typical season will run six to eight weeks. Some age divisions may be scheduled additional make up games.

Team Area

During soccer and flag football, parents and spectators are asked to sit in their designated spectator seating, opposite sideline of the team seating. Parents are asked to provide space for players and equipment to go out of bounds. This ensures safety for participants and spectators. There is no seating behind goals or behind end zones.

During volleyball, parents and spectators are asked to sit in the stands seating area and not stand near the doors. This is to ensure everyone has the ability to come and go as they please and in the event of an emergency everyone can exit the facility safely.

Warm-ups & Safety

Warm-up prior to a game must take place on the designated area for that sport. All warmup locations will be marked with signage stating that this area is designated for warming up please do not warm up in areas related to game fields or facilities.

Awards

Players that participate in the regular season will receive a certificate, trophy, or a small token to acknowledge their involvement in the program. All awards and trophies are distributed to the head coach the last 2 games of the season.

We want to deliver quality programs and evaluate each season for potential changes.

The credit will be applied to the recreation account to be used towards any future recreation program within the City of Goodyear. This credit can only be used by the head coaches and any family member attached to said account.

Parent Participation

It is not required but highly suggested you try and do your part. Parents are asked to try and assist with the teams whenever possible. Example: You cannot volunteer to coach and will only be able to make the games. You are perfect to coordinate the snack schedule! Every little bit helps the coaches and makes your child feel that you are involved.

Team Parents

The duties of the team parent are extremely important to the efficiency and organization of the team. Team parents contribute by:

- Setting up a snack schedule for parents to follow each week (establish week 1 of practice)
- Setting up a phone tree to help with last minute practices/game adjustments (establish week 1 of practice)

Youth Sports Code of Ethics

The essential elements of character building and ethics in sports are embodied in the concept of sportsmanship and these four core principles:

Respect - Empathy – Optimism - Integrity

The highest potential of sports is achieved when competition reflects these "Four Pillars of Character". I/We therefore agree:

PARENTS

- I will remember that children participate to have fun and that the game is for youth, not adults.
- I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
- I will learn the rules of the game and the policies of the league.
- I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and empathy, and by demonstrating positive support and optimism for all individuals at every game, practice, or other sporting events.
- I (and my guests) will not engage in any kind of unsportsmanlike conduct with any individual, such as booing and taunting; refusing to shake hands; or using profane language or gestures.
- I will teach my child to play by the rules and show integrity and to resolve conflicts without resorting to hostility or violence.
- I will demand that my child treat other players, coaches, officials, and spectators with respect regardless of race, creed, religion, color, sex, or ability.
- I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.
- I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.
- I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.
- I will promote the emotional and physical well-being of athletes ahead of any personal desire I may have for my child to win.

COACHES.

- I will demand a sports environment for my child that is free from drugs, alcohol, and tobacco and I will refrain from their use at all sports events.
- I will place the physical and emotional wellbeing of my players ahead of my personal desire to win.
- I will do my best to provide practices that are not only challenging but fun for all players.
- I will do my best to provide a safe playing environment for my players.
- I will be knowledgeable in the rules and guidelines for my sport that I coach.
- I will state that I am a youth sports coach and the game is for the children and not adults.
- I will lead by example by demonstrating the Four Pillars of Character.
